

LUKE 4:18
FELLOWSHIP

It's on my heart...

Acts 4:31 is a beautiful picture of a New Testament church. To be in prayer is the heart and life of the church of Jesus Christ. The church moves forward on its knees. The church can do a lot after it prays, but nothing eternal until it prays. My heart's desire is for us individually and as a church to be people mighty in prayer.

Prayer concerns we need to cry out to God for are:

- Family members who need salvation or who are away from God and need to return. Your prayer will make the difference.
- Your unsaved neighbors and people you work with or go to school with.
- Our nation to repent of our sins and return to God and His Word.
- Genuine revival, a return to righteous and holy living, presence and power of God in His church, especially Luke 4:18 Fellowship.
- Newly elected government leaders in local, state and national levels to govern in righteousness and wisdom.
- For the poor all over the world.
- For persecuted Christians all over the world.
- Pray for Building God's House, God's Way! For God to provide all the funds we need to build His House.

God's Spirit will burden you for who and what to pray for – above all let's be men and women of prayer – start now. Continue what you already started – Pray!

Anne and I thank God for Luke 4:18 Fellowship. We are blessed beyond words by your love for us.

Jesus Is Lord!
